

our story

Turning Visions into Reality

SIPM Consultants Pte Ltd, a wholly-owned subsidiary of Surbana Jurong Pte. Ltd., provides a holistic range of project management services in Singapore and through the Group's branch offices internationally, employs over 60 people, making it one of the largest specialist project management consultancies in the ASEAN region.

We are your solution to every facet of a development project or programme's life cycle, from initial inception planning, to design development, procurement, construction, commissioning and completion. We drive the whole process covering markets such as commercial, education, healthcare, housing, industrial, institutional, security and transportation, to name a few.

We are fully committed to help our customers achieve their investment goals more economically while maintaining the highest standards of safety, quality and sustainability, to make the partnership a success.

We deliver total urban and infrastructure solutions to support social and economic growth.

As one of Asia's leading consultancy powerhouses for urbanisation and infrastructure developments, we have a distinguished track record in shaping Singapore's urban and industrial landscape over the last 50 years.

Our multi-disciplinary team of specialists provides one-stop complete value chain consultancy services harnessed through years of successfully completing a wide array of projects in more than 200 cities in over 50 countries worldwide. We have designed and completed more than a million homes in Singapore, completed master plans for over 30 countries and developed more than 50 industrial parks around the world.

With the acquisitions of SMEC Holdings, a world-renowned infrastructure engineering designer, and AETOS Holdings, a total security solutions provider, Surbana Jurong has a combined global workforce of over 13,000 employees in over 110 offices across Asia, Australia, Africa, the Middle East and the Americas.
