Also on stage from left, Mr Gareth Wong, outgoing GM of Surbana Jurong Myanmar, Chairman Mr Liew Mun Leong, Mr Teo Eng Cheong, CEO of International Markets, Mr Lee Leong Seng, incoming GM of Surbana Jurong Myanmar.*

Opening the event was CEO, International, Mr Teo Eng Cheong, who shared with the audience Surbana Jurong's Myanmar journey and reaffirmed our commitment to grow our presence and build capabilities in the construction and building development sector. He introduced our recent expansion into the industrial and infrastructure sectors and the new projects secured. This includes an underground engineering project for Myanmar's first underground pedestrian walkway, as well as the Kyaukphyu Special Economic Zone's industrial park and deep sea port project where we partnered CITIC Group in the winning tender submission, providing masterplanning, infrastructure and port planning services.

Mr Teo also announced that Mr Lee Leong Seng will succeed Mr Gareth Wong as the General Manager for the Myanmar office. Gareth will be returning to Surbana Jurong Singapore HQ as the Senior Vice President in the Chairman's office.

Mr Lee Leong Seng, General Manager, Myanmar said, "The Myanmar office has grown tremendously over the past 3 years. We have entered new market segments and expanded our geographical footprints beyond Yangon. We have also built up a great team that will stand us in good stead in the future. This is an exciting time for Surbana Jurong and I am looking forward to steering the next phase of growth for the Myanmar office. "
